## 'HAPPY CONNECTED'

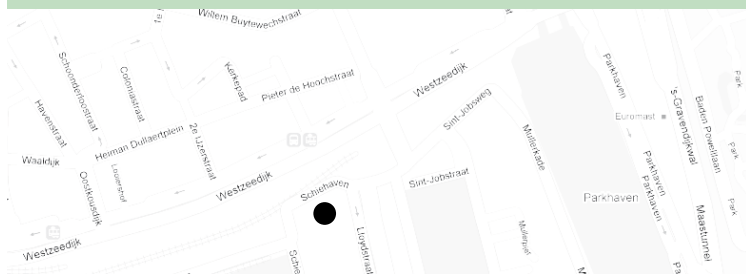

**On Thursday June 10 2010, WdKA's Fashion Design presents its Fashion Show 'HAPPY CONNECTED' at the Schiecentrale in Rotterdam. It is the first of many events of our graduation festival (check [www.wdka.nl](http://www.wdka.nl)), in which graduates of all our bachelor and master courses present their work.**

The catwalk will feature a parade of fifteen fashion collections of the graduates of the Class of 2010, plus a selection of designs by students of the first three years.

'HAPPY CONNECTED' stands for a contemporary use of materials, revaluation of wearability and young inspiring fashion designers.

Three editions: 16.00, 19.00 and 21.00 hrs. Hall opens 15 minutes in advance. Tickets (€15) can be ordered through [www.wdka.nl](http://www.wdka.nl). You can print the ticket yourself.
